NARBC Friends and Sister Churches,

Greetings from Lincoln—home of the Huskers, the state capitol, and your brothers & sisters at Temple Baptist Church! This fall, we have the privilege of hosting the fall Bible conference of the Nebraska Association of Regular Baptist Churches (NARBC) as a single-day event on Saturday, September 24th, and we trust your pastor(s) and church families will be able to join us.

“Jonah: Discovering the Depths of God’s Grace” is the theme for this year’s conference, and we are excited to welcome Pastor Miles Grismore as our speaker. Miles has been married for 53 years to Mary, his high school sweetheart. He has served in pastoral ministry for 50 years, the majority of that time spent in Mason City, Iowa. Currently, the Grismores reside in Ankeny, Iowa, where they are active members of Community Baptist Church.

The schedule for our time together looks like this:

8:30am	Fellowship & Refreshments
9:00am	Session #1
10:00am	Fellowship & Refreshments
10:30am	Session #2
11:30am	Lunch
12:45pm	Session #3
2:00pm	Head for Home

Since this is a condensed one-day format, we hope you’ll be able to join us for the entirety of the conference. There’s no Husker home game that day, so traffic to and from Lincoln should be relatively light. Lunch will be provided free of charge by our church family in the fellowship hall, providing extra opportunities for fellowship & encouragement. Please be intentional about promoting this year’s conference with your church families and encourage them to participate! These times spent together strengthen our bonds as churches in fellowship together. The fall retreat season at Whispering Cedars provides great opportunities for the men, ladies and teens to gather for targeted fellowship and encouragement as well. I trust that each of these events is already on your church calendars for the coming months.

Looking forward to seeing you in Lincoln on September 24th!
